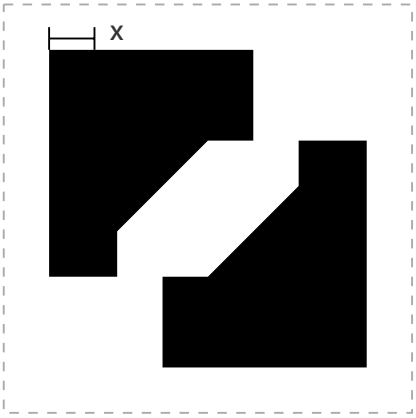
Offset Blocks

altstack

Two balanced bodies. One stepped diagonal channel. Always lowercase.

01 / CLEAR SPACE



x = one notch width.
32 units on the 256-unit canvas.
Keep at least x from the visible silhouette to other elements.

02 / MINIMUM SIZES

Screen / print

Symbol: 16 px / 6 mm
Horizontal: 96 px / 25 mm wide
Stacked: 96 px / 20 mm wide
Wordmark: 64 px / 18 mm wide

Use the supplied lockups intact; their internal spacing is already resolved.

03 / MONOCHROME PALETTE

Black / #000000

RGB 0, 0, 0 · CMYK 0, 0, 0, 100

White / #FFFFFF

RGB 255, 255, 255 · CMYK 0, 0, 0, 0

Black on light; white on dark. Contrast: 21:1.

04 / TYPE AND OPTICAL MASTERS

Inter Medium 500; lowercase altstack.
The exported wordmark is outlined.
It needs no installed font.

16 / 32 px: regular small master.
64 px and above: optional optical white reduces each body by 1.5% in scale.

05 / CHOOSE THE FILE

SVG: interfaces, documents, scalable artwork.
PNG: fixed-size images; transparent black / white.
K100 PDF: outlined, one-ink print artwork.
Web set: favicon, touch icon, maskable icon, manifest and a head-snippet integration example.

06 / KEEP THE GEOMETRY

Do not stretch, rotate or rearrange the bodies.
Do not close or narrow the negative channel.
Do not add strokes, shadows or gradients.
Avoid busy or low-contrast backgrounds.
White print artwork uses paper, knockout or white ink agreed with the production printer.

Masters, exports, source scripts and mockups: see README.md in this kit.
